SUMMARY

Passionate Web Developer with expertise in React.js, Tailwind CSS, for modern frontend development and also familiar with backend using Node.js, Express.js, and MongoDB. As a Computer Engineering student, I have a good foundation in core computer concepts and web technologies, and I'm committed to continuously improving my skills. Known for my attention to detail, eagerness to learn, and ability to deliver impactful web solutions, I am always excited to explore and adopt the latest technologies and tools.

TECHNICAL SKILLS

HTML, CSS, JavaScript, React.js, Next.js

Node.js, Express.js, MongoDB, Mongoose ODM, Postman, Firebase, AppWrite, Cloudinary

Git & GitHub, Tailwind CSS, Zustand, Framer Motion, Figma, Canva

Wordpress and other CMS, Generative AI, C, C++, Java, Python

EXPERIENCES

Teraforge Digital Lab LLP - Software Developement Intern   Docs   15th April 2025 - 1st June 2025

Contributed to multiple projects, including a full-featured e-commerce apparel store and a solar battery platform. Additionally, I integrated an AI chatbot using Gemini for a car dealership website. These projects involved working with tech stacks such as React and Firebase, as well as CMS like WordPress hosted on Hostinger.

PROJECTS

VotePlay Voting Simulator   https://voteplay.tech

MERN, Vercel, TailwindCSS, Framer Motion, Zustand, Cloudinary, PDFkit, Payment Gateway Integration

An Indian voting simulator designed to provide new voters with a realistic experience using EVM and VVPAT interface. Made using the MERN stack, Zustand for state management, Cloudinary for image storage, etc. Successfully deployed the project on Render, ensuring a seamless and interactive user experience. Gained practical experience in building and deploying full-stack applications and managing state efficiently.

National Service Scheme (NSS) Website of my College   https://nssvit.netlify.app

React.js, Tailwind CSS, Netlify, Cloudinary

Codeveloped and deployed a college NSS website using React, React Router for seamless navigation, and hosted it on Netlify, ensuring a responsive and user-friendly interface using Tailwind. Gained hands-on experience with modern frontend development tools and deployment processes.

My Portfolio using Next.js   https://adarshnambiar.me

Next.js, React.js, Tailwind CSS, Firebase

A modern, responsive portfolio website showcasing my skills, projects, and professional experience. Built with Next.js, TypeScript, Firebase and Framer Motion for seamless animations and transitions.

EDUCATION

Bachelor of Techology in Computer Engineering   November 2022 - June 2026

Vidyalankar Institute of Technology, Mumbai

- CGPA - 9.44

HSC in Computer Science   August 2020 - May 2022

SIES College of Arts Science & Commerce, Mumbai

- JEE Score - 97.8 %ile

SSC   June 2010 - March 2020

SIES High School, Mumbai

- 91%

ADDITIONAL INFORMATION

- **Certifications:**
  a. Postman API Fundamentals Student Expert
  b. AWS Academy Cloud Foundations and Cloud Architect
  c. Google Cloud Computing Foundations
  d. IBM Web Fundamentals
  e. Infosys Springboard AI Track
- **Volunteering:** National Service Scheme (NSS) for 2 Years - Documentation Head.
- **Languages:** English - Proficient, Hindi - Bilingual, Malayalam - Native.
